## ABOUT OUR BEER SELECTION

At Baroness, we appreciate a good beer. That's why you'll find a great selection of beers on our menu.

It features a great deal of well-known trappist beers, as well as refreshing summer beers and rather classic brews.

However, we're most proud of our fine selection of ales from small and rather local breweries.

Because we like to experiment, we often have new tries featured as the 'Beer of the week'.

In any case, we intend to cater to everyone's taste and preferences. Feel free to ask our waiters for advice.
